On April 19, 2017, the Corporation entered into a new executive employment agreement with Mr. Mossman (the "**Executive Employment Agreement**") to replace the prior agreement. The Executive Employment Agreement commenced on May 1, 2017. The Executive Employment Agreement provides for an annual salary of \$180,000 per year. The Executive Employment Agreement provides that Mr. Mossman will, subject to the terms of the stock option plan and exchange policies, be granted options from time to time to maintain his right to purchase 5% of the Corporation's issued and outstanding Common Stock. To date, Mr. Mossman has been granted options to acquire 2,729,142 shares of Common Stock pursuant to the terms of the Executive Employment Agreement.

The Executive Employment Agreement includes compensation provisions for Mr. Mossman if there is a change of control, he is terminated without just cause, he resigns under circumstances contemplated in the Employment Agreement or he dies while in the Corporation's employment. If Mr. Mossman is terminated within one (1) year of the date of a change of control, or otherwise terminated without just cause, or if Mr. Mossman terminates his employment with us upon the occurrence of certain events, including a material adverse and fundamental change in his overall authority and responsibilities, Mr. Mossman will be entitled to a lump sum amount equal to three (3) years of Mr. Mossman's then applicable annual salary. In addition, Mr. Mossman will be entitled to maintain in effect, until the earliest of the expiration of three years and the death of Mr. Mossman, participation in certain of the Corporation's benefit plans and stock option plans. If Mr. Mossman dies while employed by the Corporation, Mr. Mossman's estate, subject to compliance with stock exchange requirements, the stock option plan, and the terms of the Executive Employment Agreement, will be entitled to continue Mr. Mossman's participation in the Corporation's stock option plan.

Section 16(a) Beneficial Ownership Compliance

Section 16(a) of the Exchange Act requires a company's directors and officers, and persons who own more than 10% of any class of a company's equity securities which are registered under Section 12 of the Exchange Act, to file with the SEC initial statements of beneficial ownership, reports of changes in ownership and annual reports concerning their ownership of the company's common shares and other equity securities, on Forms 3, 4 and 5, respectively. Such officers, directors and 10% stockholders are also required to furnish the company with copies of all Section 16(a) reports they file. Based solely on the Corporation's review of the copies of such forms received by it, or written representations from the reporting persons as of the date of this proxy statement, the Corporation

believes that all Section 16(a) reports applicable to its directors, officers and 10% stockholders with respect to the fiscal year ended July 31, 2017 have been filed with the following exceptions:

During the fiscal year ended July 31, 2017, Mr. Mossman filed late a Form 3 and one Form 4 reporting one transaction; Mr. Thomas filed late a Form 3 and two Form 4s reporting six transactions; Mr. Edwards filed late a Form 3; Mr. Anderson inadvertently failed to file a Form 3 and a Form 5; Mr. Tejada filed three late Form 4s reporting eight transactions; and Mr. Scharfe filed late a Form 3 and four Form 4s reporting twenty-one transactions.

Audit Committee Financial Expert

John Anderson is an “audit committee financial expert” within the meaning of Item 401(h)(1) of Regulation S-K under the Securities Act of 1933 (the “**Securities Act**”). In general, an “audit committee financial expert” is an individual member of the audit committee who (a) understands generally accepted accounting principles and financial statements, (b) is able to assess the general application of such principles in connection with accounting for estimates and accruals, (c) has experience preparing, auditing, analyzing or evaluating financial statements comparable to the breadth and complexity of issues that can reasonably be expected to be raised by a company’s financial statements, (d) understands internal controls over financial reporting, and (e) understands audit committee functions.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board has furnished the following report on its activities during the fiscal year ended July 31, 2017. The report is not deemed to be “soliciting material” or “filed” with the SEC or subject to the SEC’s proxy rules or to the liabilities of Section 18 of the Exchange Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing under the Securities Act, or the Exchange Act, except to the extent that the Corporation specifically incorporates it by reference into any such filing.

The Audit Committee oversees the financial reporting process on behalf of the Board. Management has the primary responsibility for the financial reporting process, principles and internal controls as well as preparation of our financial statements. For the fiscal year ended July 31, 2017, the members of the Audit Committee were Alan R. Edwards, Thomas I. Vehrs and John Anderson, each of whom was an independent director as defined by the applicable Nasdaq and SEC rules.

In fulfilling its responsibilities, the Audit Committee appointed independent auditors Davidson & Company LLP, for the fiscal year ended July 31, 2017. The Audit Committee reviewed and discussed with the independent auditors the overall scope and specific plans for their audit. The Audit Committee also reviewed and discussed with the independent auditors and with management the Corporation’s audited financial statements and the adequacy of its internal controls. The Audit Committee met with the independent auditors, without management present, to discuss the results of our independent auditor’s audits, their evaluations of the Corporation’s internal controls and the overall quality of the Corporation’s financial reporting.

The Audit Committee monitored the independence and performance of the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board (“**PCAOB**”) Auditing Standard No. 16—Communications with Audit Committees. The Corporation’s independent auditors have provided the Audit Committee with the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent auditors’ communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the independent auditors the independent auditors’ independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Corporation’s Annual Report on Form 10-K for the fiscal year ended July 31, 2017, for filing with the SEC.

Compensation Committee

At present, the Corporation's board of directors (the "**Board**") as a whole determines the compensation of the Corporation's Chief Executive Officer and Chief Financial Officer and does so with reference to industry standards and the financial situation of the Corporation. The Board has the sole responsibility for determining the compensation of the directors of the Corporation.

Given the Corporation's size, limited operating history and lack of revenues, the Board does not plan to form a compensation committee to monitor and review the salary and benefits of the executive officers of the Corporation at the present time. The Board will carry out these functions until such time as it deems the formation of a compensation committee is warranted.

Code of Ethics

During the Corporation's financial year ended July 31, 2008, the Board adopted a written Code of Ethics within the meaning of Item 406(b) of Regulation S-K under the Securities Act. The Code of Ethics obligates the Corporation's directors, officers and employees to disclose potential conflicts of interest and prohibits those persons from engaging in such transactions without the Corporation's consent.

The Board is also required to comply with the conflict of interest provisions of relevant corporate and securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors as a whole is responsible for risk oversight. Executive officers address and discuss with the Board the Corporation's risks and the manner in which the Corporation manages or mitigates such risks. While the Board has the ultimate responsibility for risk oversight, the Board works in conjunction with the Audit Committee on certain aspects of its risk oversight responsibilities. In particular, the Audit Committee focuses on financial reporting risks and related controls and procedures. The Corporation does not currently have a compensation committee or a nominating committee, so the full Board evaluates the risks associated with compensation philosophy and programs and strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with the Corporation's strategies and objectives, and it oversees risks associated with the Corporation's Code of Ethics.

The Corporation has adopted a management structure with two separate individuals serving as Chief Executive Officer and Chairman of the Board. We believe that such a structure will allow for a more effective monitoring and objective evaluation of the performance of management.

Director Independence

Because the Corporation's common stock is not currently listed on a national securities exchange, it currently uses the definition in Nasdaq Listing Rule 5605(a)(2) for determining director independence, which provides that an "independent director" is a person other than an executive officer or employee of the company or any other individual having a relationship which, in the opinion of the company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq listing rules provide that a director cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of US\$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);

- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenue for that year or US\$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company's outside auditor, or at any time during the past three years was a partner or employee of the company's outside auditor, and who worked on the company's audit.

The Corporation has determined that John Anderson, Alan Edwards, and Dr. Thomas Vehrs meet this definition of independence.

Shareholder Communications with the Board

The Corporation's stockholders may communicate with the Board, including non-executive directors or officers, by sending written communications addressed to such person or persons in care of Rise Gold Corp., Attention: Secretary, Suite 488, 1090 West Georgia Street, Vancouver, British Columbia V6E 3V7. INTRODUCTION

This information circular (this “**Information Circular**”) accompanies the notice of annual general meeting of stockholders (the “**Notice**”) of Rise Gold Corp. (the “**Corporation**”) and is being furnished to the holders of common stock (each, a “**Share**”) of the Corporation in connection with the solicitation by the management of the Corporation of proxies to be voted at the annual general meeting (the “**Meeting**”) of the stockholders to be held at 11:00 a.m. (Vancouver time) on Tuesday, January 23, 2018 at Suite 488, 1090 West Georgia Street, Vancouver, British Columbia, V6E 3V7 or at any adjournment or postponement thereof.

In this Information Circular, unless otherwise indicated, all dollar amounts are expressed in Canadian dollars and all references to \$ are to Canadian dollars.

SOLICITATION OF PROXIES

The solicitation will be made by mail and may also be supplemented by telephone or other personal contact to be made without special compensation by directors, officers and employees of the Corporation. The Corporation will bear the cost of this solicitation. The Corporation will not reimburse stockholders, nominees or agents for the cost incurred in obtaining authorization from their principals to execute forms of proxy, except that the Corporation has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and related proxy material to their customers, and the Corporation will reimburse such brokers and nominees for their related out-of-pocket expenses.

APPOINTMENT AND REVOCATION OF PROXY

Registered Stockholders

Registered stockholders may vote their Shares by attending the Meeting in person or by proxy. Registered stockholders should deliver their completed proxies to Capital Transfer Agency Inc.,

390 Bay Street, Suite 920, Toronto, ON M5H 2Y2 (by mail, telephone or Internet according to the instructions on the proxy), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, otherwise they will not be entitled to vote at the Meeting by proxy. The persons named in the accompanying proxy (the “**Designated Persons**”) are directors and officers of the Corporation and are proxyholders nominated by management. **A stockholder has the right to appoint a person other than the Designated Persons named in the proxy to represent them at the Meeting. To exercise this right, a stockholder must insert the name of its nominee in the blank space provided. A person appointed as a proxyholder need not be a stockholder of the Corporation.**

A registered stockholder may revoke a proxy by:

- (a) signing a proxy with a later date and delivering it at the place and within the time noted above;
- (b) signing and dating a written notice of revocation (in the same manner as the proxy is required to be executed, as set out in the notes to the proxy) and delivering it to the Corporation at the address set forth above at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (c) in any other manner provided by law.

Beneficial Stockholders

The information set forth in this section is of significant importance to many stockholders, as many stockholders do not hold their Shares in their own name. Stockholders holding their Shares through banks, trust companies, securities dealers or brokers, trustees or administrators of RRSPs, RRIFs, RESPs and similar plans or other persons (any one of which is herein referred to as an “**Intermediary**”) or otherwise not in their own name (such stockholders herein referred to as “**Beneficial Stockholders**”) should note that only proxies deposited by stockholders appearing on the records maintained by the Corporation’s transfer agent as registered stockholders will be recognized and allowed to vote at the Meeting. If a stockholder’s Shares are listed in an account statement provided to the stockholder by a broker, in all likelihood those Shares are not registered in the stockholder’s name and that stockholder is a Beneficial Stockholder. Such Shares are most likely registered in the name of the stockholder’s broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities (which acts as nominee for many Canadian brokerage firms), and in the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the Meeting at the direction of the Beneficial Stockholder. Without specific instructions, brokers (and their agents and nominees) are prohibited from voting Shares for the broker’s clients. **Therefore, each Beneficial Stockholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory policies require Intermediaries to seek voting instructions from Beneficial Stockholders in advance of stockholder meetings. Beneficial Stockholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Corporation (such Beneficial Stockholders are designated as non-objecting beneficial owners, or “**NOBOs**”) or objecting to their Intermediary disclosing ownership information about themselves to the Corporation (such Beneficial Stockholders are designated as objecting beneficial owners, or “**OBOs**”).

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation has elected to send the Notice, this Information Circular and a request for voting instructions (a “**VIF**”), instead of a proxy (the Notice, Information Circular and VIF or proxy are collectively referred to as the “**Meeting Materials**”) indirectly through Intermediaries to the NOBOs and OBOs. Management of the Corporation intends to pay for Intermediaries to forward the Meeting Materials to OBOs.

Meeting Materials sent to Beneficial Stockholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Stockholder is able to instruct the Intermediary (or other registered stockholder) how to vote the Beneficial Stockholder’s Shares on the Beneficial Stockholder’s behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF. The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Stockholders to Broadridge Investor Communication Solutions (“**Broadridge**”) in Canada and the United States. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Stockholders and asks Beneficial Stockholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Stockholder who receives a Broadridge VIF cannot use that form to vote Shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted. If you have any questions respecting the voting of Shares held through an Intermediary, please contact that Intermediary for assistance.

The purpose of this procedure is to permit Beneficial Stockholders to direct the voting of the Shares which they beneficially own. A Beneficial Stockholder receiving a VIF cannot use that form to vote Shares directly at the Meeting; Beneficial Stockholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Stockholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Stockholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Stockholder or their nominee the right to attend and vote at the Meeting. All references to stockholders in the Notice, this Information Circular and the accompanying proxy are to registered stockholders unless specifically stated otherwise.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the stockholder on any ballot that may be called for and if the stockholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN A PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

If any amendments or variations to such matters, or any other matters, are properly brought before the Meeting, the proxyholder, if a nominee of management, will exercise its discretion and vote on such matters in accordance with its best judgment. At the time of printing this Information Circular, management of the Corporation is not aware that any amendments or variations to existing matters or new matters are to be presented for action at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of each of the following persons in any matter to be acted upon at the Meeting other than the interest of the current directors nominated for re-election to the board of directors:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year;
- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of 400,000,000 Shares, US\$0.0001 par value. As of the record date, determined by the Corporation's board of directors (the "**Board**") to be the close of business on December 18, 2017 (the "**Record Date**"), a total of 74,201,979 Shares were issued and outstanding. All Shares are of the same class and each carries the right to one vote. Only those stockholders of record on the Record Date are entitled to attend and vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities

carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation.

ELECTION OF DIRECTORS

The directors of the Corporation hold office until the next annual meeting of the stockholders or until their successors are elected and qualified, and from this point on will be elected annually. Management of the Corporation proposes to nominate the persons listed below for election as directors of the Corporation to serve until their successors are elected and qualified. In the absence of instructions to the contrary, proxies given pursuant to the solicitation by management of the Corporation will be voted for the nominees listed in this Information Circular. Management does not contemplate that any of the nominees will be unable to serve as a director. If any vacancies occur in the slate of nominees listed below before the Meeting, management will exercise discretion to vote the proxy for the election of any other person or persons as directors.

The following table sets out the names of the nominees for election as directors, the offices they hold within the Corporation, their occupations, the length of time they have served as directors of the Corporation, and the number of shares of the Corporation and its subsidiaries which each beneficially owns, directly or indirectly, or over which control or direction is exercised as of the date of this Information Circular:

Under the Plan, the Board may from time to time grant to directors, officers, employees and consultants of the Corporation, as the Board shall designate, options to purchase from the Corporation such number of its Shares as the Board shall designate.

The following information is a brief description of the Plan:

1. The Board shall establish the exercise price at the time each option is granted, subject to the following conditions:
 - (a) subject to a minimum price of \$0.10 per Share and section (b) below, the exercise price of an option may not be less than the closing market price of the Shares on the trading day immediately preceding the date of grant of the option, less any applicable discount allowed by the CSE; and
 - (b) if any options are granted within 90 days of a public distribution by prospectus, then the minimum exercise price shall be the greater of that specified in section (a) above and the price per Share paid by investors for Shares acquired under the public distribution. The 90 day period shall commence on the date the Corporation is issued a final receipt for the prospectus.

2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason without having been exercised in full, the number of Shares in respect of the expired or terminated option shall again be available for a grant under the Plan.
3. No option granted under the Plan may have an expiry date exceeding five years from the date on which the option is granted.

9. If an option holder dies, the holder's lawful personal representatives, heirs or executors may exercise any option granted to the holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the holder.
10. The Plan will be administered by the Board who will have the full authority and sole discretion to grant options under the Plan to any eligible party, including Board members.
11. Options granted under the Plan shall not be assignable or transferable by an option holder.
12. The Board may from time to time, subject to regulatory or stockholder approval, amend or revise the terms of the Plan.

The Plan does not provide for any financial assistance or support agreement to be provided to the optionees by the Corporation to facilitate the purchase of securities as compensation.

The Plan provides that other terms and conditions may be attached to a particular option at the discretion of the Board.

Employment, Consulting and Management Agreements

On July 7, 2016, the Corporation entered into an executive employment agreement with Benjamin W. Mossman, the Corporation's Chief Executive Officer, pursuant to which the Corporation engaged Mr. Mossman's services on an ongoing basis beginning on August 1, 2016. Pursuant to the agreement, the Corporation issued 400,000 shares of Common Stock to Mr. Mossman as a signing bonus on August 1, 2016, granted options to purchase 586,600 shares of Common Stock at a price of \$0.20 per share for a period of five years and the Corporation agreed to pay Mr. Mossman an annual salary of \$120,000. On April 19, 2017, the Corporation entered into a new executive employment agreement with Mr. Mossman (the "**Executive Employment Agreement**") to replace the prior agreement. The Executive Employment Agreement commenced on May 1, 2017. The Executive Employment Agreement also provides for an annual salary of \$180,000 per year. The Executive Employment Agreement provides that Mr. Mossman will, subject to the terms of the stock option plan and stock exchange policies, be granted options from time to time to maintain his right to purchase 5% of the Corporation's issued and outstanding Common Stock. To date, Mr. Mossman has been granted options to acquire 2,729,142 shares of Common Stock pursuant to the terms of the Executive Employment Agreement.

The Executive Employment Agreement includes compensation provisions for Mr. Mossman if there is a change of control, he is terminated without just cause, he resigns under circumstances contemplated in the Employment Agreement or he dies while in the Corporation's employment. If Mr. Mossman is terminated within one (1) year of the date of a change of control, or otherwise terminated without just cause, or if Mr. Mossman terminates his employment with us upon the occurrence of certain events, including a material adverse and fundamental change in his overall authority and responsibilities, Mr. Mossman will be entitled to a lump sum amount equal to three (3) years of Mr. Mossman's then applicable annual salary. In addition, Mr. Mossman will be entitled to maintain in effect, until the earliest of the expiration of three years and the death of Mr. Mossman, participation in certain of the Corporation's benefit plans and the Plan. If Mr. Mossman dies while employed with the Corporation, Mr. Mossman's estate, subject to compliance with stock exchange requirements, the Plan, and the terms of the Executive Employment Agreement, will be entitled to continue Mr. Mossman's participation in the Plan.

The Corporation entered into an executive employment agreement (the "**Employment Agreement**") with Cale Thomas as of October 1, 2016. Mr. Thomas is the Corporation's Chief Financial Officer and a strategic advisor. The Employment Agreement is for a term commencing on October 1, 2016 until March 22, 2021. As compensation, the Corporation has granted 700,000 stock options to Mr. Thomas exercisable at \$0.15 per share of Common Stock until March 22, 2021. The Employment Agreement provides that the Corporation will pay Mr. Thomas a monthly fee to be determined by the Corporation's Board of Directors. Currently the monthly fee is \$4,000. Mr. Thomas may resign and terminate the Employment Agreement by giving the Corporation at least two weeks prior notice which the Corporation may waive, in whole or in part in its sole discretion, in which case the Corporation will pay to Mr. Thomas his base salary for the notice period remaining.

When Fred Tejada resigned as the Corporation's President, Secretary and a director, the Corporation entered into a consulting services agreement (the "**Consulting Agreement**") with him pursuant to which Mr. Tejada continues to perform geological consulting services for the Corporation. The Consulting Agreement is for a term that commenced on April 20, 2017 and

ends on December 31, 2020, unless earlier terminated in accordance with its terms. Under the Consulting Agreement, Mr. Tejada will invoice the Corporation for any work he performs at its request. In addition, by virtue of his retention as a consultant to the Corporation under the Consulting Agreement, Mr. Tejada was permitted pursuant to the Consulting Agreement to retain 400,000 stock options previously granted to him under the Plan when he was serving as a director and officer.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Corporation's current size and stage of development. All tasks related to developing and monitoring the Corporation's approach to the compensation of NEOs and directors are performed by the members of the Board. The compensation of NEOs, directors and the Corporation's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Corporation are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions relating to their respective compensation.

The overall objective of the Corporation's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Corporation has in place programs to attract, retain and develop management of the highest calibre, and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Corporation currently has a short term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of stock options under the Plan. The Corporation intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Corporation and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The objectives of the Corporation's compensation policies and procedures are to align the interests of the Corporation's employees with the interests of the stockholders. Therefore, a significant portion of total compensation granted by the Corporation, being the grant of stock options, is based upon overall corporate performance. The Corporation relies on Board discussion without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension Plan Benefits

The Corporation does not have any pension plans that provide for payments or benefits to NEOs or directors at, following, or in connection with retirement, including any defined benefits plan or any defined contribution plan. The Corporation does not have a deferred compensation plan with respect to any NEO or director.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

Total	5,729,142	0.24	1,691,056

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the stockholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with day-to-day management of the Corporation.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) the Corporation is required to disclose its corporate governance practices, as summarized below. The Board will monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its stockholders and contribute to effective and efficient decision making.

Board of Directors

The Board presently has five directors with three being independent. The definition of independence used by the Corporation is that used in Nasdaq Listing Rule 5605(a)(2), which provides that an “independent director” is a person other than an executive officer or employee of the Corporation or any other individual having a relationship which, in the opinion of the

Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Nasdaq listing rules provide that a director of a company cannot be considered independent if:

- the director is, or at any time during the past three years was, an employee of the company;
- the director or a family member of the director accepted any compensation from the company in excess of US\$120,000 during any period of 12 consecutive months within the three years preceding the independence determination (subject to certain exclusions, including, among other things, compensation for board or board committee service);
- a family member of the director is, or at any time during the past three years was, an executive officer of the company;
- the director or a family member of the director is a partner in, controlling stockholder of, or an executive officer of an entity to which the company made, or from which the company received, payments in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenue for that year or US\$200,000, whichever is greater (subject to certain exclusions);
- the director or a family member of the director is employed as an executive officer of an entity where, at any time during the past three years, any of the executive officers of the company served on the compensation committee of such other entity; or
- the director or a family member of the director is a current partner of the company's outside auditor, or at any time during the past three years was a partner or employee of the company's outside auditor, and who worked on the company's audit.

The Corporation has determined that Alan R. Edwards, Thomas I. Vehrs and John Anderson meet this definition of independence.

The Board believes that the principal objective of the Corporation is to generate economic returns with the goal of maximizing stockholder value, and that this is to be accomplished by the Board through its stewardship of the Corporation. In fulfilling its stewardship function, the Board's responsibilities include strategic planning, appointing and overseeing management, succession planning, risk identification and overseeing financial and corporate issues. Directors are involved in the supervision of management.

The Corporation has not developed written position descriptions for the CEO and the CFO. Pursuant to Chapter 78 of the Nevada Revised Statutes, directors must declare any interest in a material contract or transaction or a proposed material contract or transaction.

Other Directorships

The following directors of the Corporation also serve as directors of other reporting issuers:

	Cornerstone Metals Inc.	TSX-V
	Dawson Gold Corp.	TSX-V

Orientation and Continuing Education

Each new director of the Corporation is briefed about the nature of the Corporation's business, its corporate strategy and current issues within the Corporation. New directors will be encouraged to review the Corporation's public disclosure records as filed on the System for Electronic Document Analysis and Retrieval (SEDAR) in Canada at www.sedar.com at the Electronic Data Gathering, Analysis and Retrieval (EDGAR) system in the United States. Directors are also provided with access to management to better understand the operations of the Corporation, and to the Corporation's legal counsel to discuss their legal obligations as directors of the Corporation.

Ethical Business Conduct

During the Corporation's financial year ended July 31, 2008, the Board adopted a written Code of Ethics within the meaning of Item 406(b) of Regulation S-K under the United States Securities Act of 1933, as amended. The Code of Ethics, a copy of which has been filed on SEDAR, obligates the Corporation's directors, officers and employees to disclose potential conflicts of interest and prohibits those persons from engaging in such transactions without the Corporation's consent.

The Board is also required to comply with the conflict of interest provisions of relevant corporate and securities legislation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest.

Nomination of Directors

The Corporation does not have a formal process or committee for proposing new nominees for election to the Board. Management is in contact with individuals involved in the mineral exploration sector, and in the event that the Corporation requires any new directors, such individuals will be brought to the attention of the Board. The Corporation will conduct reference and background checks on suitable candidates. New nominees generally must have a track record in business management, areas of strategic interest to the Corporation, the ability to devote the time required to carry out the obligations and responsibilities of a director and a willingness to serve in that capacity.

Compensation

At present, the Board as a whole determines the compensation of the CEO and CFO of the Corporation and does so with reference to industry standards and the financial situation of the Corporation. The Board has the sole responsibility for determining the compensation of the directors of the Corporation. As of the date of this Information Circular, two directors received directors' fees totaling \$17,288 for their services.

Given the Corporation's size, limited operating history and lack of revenues, the Board does not plan to form a compensation committee to monitor and review the salary and benefits of the executive officers of the Corporation at the present time. The Board will carry out these functions until such time as it deems the formation of a compensation committee is warranted.

Other Board Committees

The Board has not established any committees other than the audit committee (the "**Audit Committee**").

Assessments

Neither the Corporation nor the Board has developed a formal review system to assess the performance of the directors or the Board as a whole. The contributions of individual directors are monitored by other members of the Board on an informal basis through observation.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

General

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Corporation's financial statements and the independence and performance of the Corporation's external auditor, acting as a liaison between the Board and the Corporation's external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established.

Audit Committee Charter

The Board has adopted an Audit Committee Charter, which sets out the Audit Committee's mandate, organization, powers and responsibilities. The Audit Committee Charter is attached as Schedule "A" to this Information Circular.

Composition

The Audit Committee is comprised of three directors: Alan R. Edwards, Thomas I. Vehrs and John Anderson.

National Instrument 52-110 *Audit Committees* ("NI 52-110") provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with a company, which could, in the view of that company's board of directors, reasonably interfere with the exercise of the member's independent judgment. All of the members of the Audit Committee meet the definition of independence provided in NI 52-110.

Relevant Education and Experience

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements. All of the members of the Audit Committee are financially literate.

John Anderson has over 18 years of experience in financial consulting, investor relations and real estate asset management, and through that has gained a sufficient enough understanding of financial reporting requirements respecting financial statements to enable him to discharge his duties as an Audit Committee member. He also has experience serving on audit committees for public companies of which he is and has been a director.

Thomas I. Vehrs has been associated with Canadian Junior mining companies for over twenty years, having served both in officer and director positions. His statistical work as a geologist and his years of financial statement review in his capacity as an officer and director of various companies give him the experience and insight needed to discharge his duties as an Audit Committee member.

Alan R. Edwards holds an MBA and also has experience serving on audit committees for public companies of which he is and has been a director.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed financial year, the Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Corporation’s most recently completed financial year, the Corporation has not relied on the exemptions in Sections 2.4, 6.1.1(4), 6.1.1(5), or 6.1.1(6) or Part 8 of NI 52-110. Section 2.4 (*De Minimis Non-audit Services*) provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. Sections 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*), 6.1.1(5) (*Events Outside Control of Member*) and 6.1.1(6) (*Death, Incapacity or Resignation*) provide exemptions from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation. Part 8 (*Exemptions*) permits a company to apply to a securities regulatory authority or regulator for an exemption from the requirements of National Instrument 52-110 in whole or in part.

Pre-Approval Policies and Procedures

The Audit Committee Charter provides that the Audit Committee will pre-approve all non-audit services to be provided by the Corporation’s external auditor.

APPOINTMENT OF AUDITOR

At the Meeting, stockholders will be asked to pass an ordinary resolution appointing Davidson & Company LLP, Chartered Professional Accountants, as the auditor of the Corporation for the fiscal year ending July 31, 2018 and to authorize the directors of the Corporation to fix the remuneration to be paid to the auditor. An ordinary resolution needs to be passed by a simple majority of the votes cast by the stockholders present in person or represented by proxy and entitled to vote at the Meeting.

Davidson & Company LLP was first appointed auditor of the Corporation on October 18, 2013.

Management recommends that stockholders vote FOR the foregoing appointment and authorization.
