**MANAGEMENT INFORMATION CIRCULAR**  
**LAKEFIELD MARKETING CORPORATION**  
**SOLICITATION OF PROXIES**

This management information circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Lakefield Marketing Corporation (“**Lakefield**” or the “**Corporation**”) for use at the annual meeting (the “**Meeting**”) of shareholders of the Corporation to be held at Capital Transfer Agency, 390 Bay Street, Suite 920 Toronto, Ontario M5H 2Y2, Toronto, Ontario, , Canada, on July 31, 2018, at 1:00 p.m. (Toronto time) for the purposes set forth in the attached notice of meeting (the “**Notice of Meeting**”) and at any adjournment or adjournments thereof. It is expected that the solicitation of proxies will be primarily by mail, but proxies may also be solicited personally by directors, officers or employees of the Corporation. The cost of such solicitation will be borne by the Corporation.

All dollar amounts in this Circular are in Canadian dollars, unless otherwise stated.

Unless otherwise indicated, the information in this Circular is given as at July 10, 2018

**APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES**

The persons named in the enclosed form of proxy are officers of the Corporation.

**A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for or on behalf of the shareholder at the Meeting other than the persons designated in the enclosed form of proxy. Such right may be exercised by striking out the names of the persons designated in the form of proxy, or by preparing another proxy in proper form and inserting in the blank space provided for that purpose the name of the desired person and delivering the executed proxy to Capital Transfer Agency, 390 Bay Street, Suite 920, Toronto, ON M5H 2Y2, at any time prior to 1:00 p.m. (Toronto time) on July 27, 2018.**

A shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The common shares of the Corporation (the “Common Shares”) represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A shareholder who has given the enclosed form of proxy has the right under subsection 110(4) of the *Business Corporations Act* (Ontario) (the “OBCA”) to revoke the proxy (i) by instrument in writing executed by the shareholder or by the shareholder’s attorney authorized in writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized and deposited at the registered office of the Corporation at any time prior to 4:00 p.m. (Toronto time) on the last business day preceding the day of

the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting, or any adjournment thereof, or (ii) in any other manner permitted by law. The registered office of the Corporation is located at 31 Sunset Trail, Toronto, Ontario, Canada, M9M 1J4.

### **MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES**

The persons named in the enclosed form of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction, such Common Shares will be voted IN FAVOUR of the matters before the Meeting.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice.

#### VOTING BY BENEFICIAL SHAREHOLDERS

**The information set forth in this section is important to shareholders who do not hold their Common Shares in their own name.**

Shareholders who hold Common Shares through their brokers, intermediaries, trustees or other nominees (such shareholders being collectively called "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the share register of the Corporation may be recognized and acted upon at the Meeting. If Common Shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases, the name of such Beneficial Shareholders will not appear on the share register of the Corporation. Such Common Shares will most likely be registered in the name of the broker or an agent of the broker. Such Common Shares can only be voted by Intermediaries and can only be voted by them in accordance with instructions received from Beneficial Shareholders.

**As a result, Beneficial Shareholders should carefully review the voting instructions provided by their broker, agent, or nominee with this Circular and ensure that they communicate how they would like their Common Shares voted in accordance with those instructions.**

Most brokers delegate responsibility for obtaining voting instructions from clients to a service company (a "**Service Company**"). The Service Company typically supplies voting instructions forms, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to the Service Company or to follow the alternative voting procedures detailed on the Voting Instruction Form. The Service Company then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares at the Meeting. **A Beneficial Shareholder receiving a Voting Instruction Form from the Service Company**

**cannot use that form to vote Common Shares directly at the Meeting. Instead, the Beneficial Shareholder must return the Voting Instruction Form to the Service Company or follow the alternative voting procedures, as mentioned above, well in advance of the Meeting in order to ensure that such Common Shares are voted.**

Alternatively, a Beneficial Shareholder may be given a proxy that has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Beneficial Shareholder but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is required to be signed by the Beneficial Shareholder when submitting the proxy. In this case, the Beneficial Shareholder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified above under "Solicitation of Proxies".

In either case, the purpose of these procedures is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own. A Beneficial Shareholder who wishes to attend and vote at the Meeting in person (or to have another person attend and vote on behalf of the Beneficial Shareholder) should print the Beneficial Shareholder's (or such other person's) name in the blank space provided for that purpose in the first paragraph of the proxy form or, in the case of a Voting Instruction Form, follow the corresponding instructions on that form.

**In either case, Beneficial Shareholders should carefully follow the instructions of their Intermediary and its Service Company, as applicable.**

## VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value. As of the date of this Circular, an aggregate of 29,479,940 Common Shares were issued and outstanding. Each Common Share entitles the holder thereof to one (1) vote at all meetings of shareholders. Shareholders of record at the close of business on June 22, 2018 shall be entitled either to attend at the Meeting and vote in person the Common Shares held by them or, provide a completed and executed proxy delivered to the Corporation as described above, to vote the Common Shares held by them. As of the date of this Circular, to the knowledge of the directors and senior officers of the Corporation, 21,849,768 Common Shares are owned or controlled, directly or indirectly, by the following:

### **4. Name Change**

Management wishes to have the ability to change the name of the Corporation. A new name for the Corporation has not yet been determined but Management wishes to have the flexibility to change the name without seeking further shareholder approval. At the meeting, the shareholders of the Corporation will be asked to

consider and, if thought appropriate, to authorize and approve a special resolution in the form set out below, approving the Name Change (the "Name Change Resolution").

**"BE IT RESOLVED** as a special resolution that:

- (i) The articles of the Corporation be amended to change the name of the Corporation from "Lakefield Marketing Corporation " to such other name as is authorized by the board of directors of the Corporation and applicable regulatory authorities;
- (ii) Any one director or officer of the Corporation be and is hereby authorized, for and on behalf of the Corporation, to execute and deliver, or cause to -- be delivered, articles of amendment of the Corporation, as required pursuant to the Business Corporations Act (Ontario), and to do all such other acts or things necessary or desirable to implement, carry out and give effect to the said change of name; and

**Unless the shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be voted against the Name Change Resolution, the persons named in the enclosed form of proxy will vote FOR the Name Change Resolution. In order to be effected, the Name Change Resolution must be approved by two-thirds (2/3) of the votes cast at the Meeting in person or by proxy.**

## **5. Approval of Potential Share Consolidation**

The Corporation seeks Shareholder approval at the Meeting for a special resolution to consolidate (the "**Consolidation**") all of the issued and outstanding Common Shares on the basis of one post-Consolidation Common Share for up to one hundred (100) pre-Consolidation Common Shares, or a ratio that is less at the discretion of the Board, with the Consolidation to be implemented by the Board at any time prior to the next annual meeting of the Shareholders. Any Consolidation remains subject to all required regulatory approvals.

### ***Reasons for a Consolidation***

Management of the Corporation has considered that a Consolidation may provide flexibility in the capital structure of the Corporation in order to facilitate raising capital in the future while keeping the Corporation's capital structure manageable.

### ***Effect on Common Shares***

The Consolidation will not affect the percentage ownership in the Corporation by the Shareholders even though such ownership will be represented by a smaller number of Common Shares. The Consolidation will merely proportionately reduce the number of Common Shares held by the Shareholders.

### ***Effect on Convertible Securities***

The exercise or conversion price and/or the number of Common Shares issuable under any outstanding convertible securities, including under outstanding Options, warrants, rights and any other similar securities will be proportionately adjusted upon the implementation of a Consolidation, in accordance with the terms of such securities, on the same basis as the consolidation of the Common Shares.

### ***Fractional Common Shares***

If, as a result of a Consolidation, a Shareholder would otherwise be entitled to a fraction of a Common Share in respect of the total aggregate number of pre-consolidation Common Shares held by such Shareholder, no such fractional Common Share will be awarded. The aggregate number of Common Shares that such Shareholder is entitled to will, if the fraction is less than one half of one share, be rounded down to the next closest whole number of Common Shares, and if the fraction is at least one half of one share, be rounded up to one whole Common Share. Except for any change resulting from the rounding described above, the change in the number of Common Shares outstanding that would result from the Consolidation will cause no change in the stated capital attributable to the Common Shares.

### ***Certain Risks Associated with the Consolidation***

There can be no assurance that the total market capitalization of the Corporation (the aggregate value of all Common Shares at the market price then in effect) immediately after a Consolidation will be equal to or greater than the total market capitalization immediately before a Consolidation.

### ***Notice of Consolidation and Letter of Transmittal***

Prior to the completion of a Consolidation, the Corporation will provide registered Shareholders with a letter of transmittal which will need to be duly completed and submitted by registered Shareholders wishing to receive share certificates representing the post-Consolidation Common Shares to which he, she or it is entitled if the Corporation completes a Consolidation.

### ***Procedure for Non-Registered Shareholders***

Non-registered Shareholders holding the Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing a Consolidation than those that will be put in place by the Corporation for registered Shareholders. If you hold the Common Shares with

such bank, broker or other nominee and if you have questions in this regard, you are encouraged to contact your nominee to obtain instructions for processing a Consolidation.

### **Shareholder Approval**

In accordance with the OBCA, the resolution approving a Consolidation must be approved by a majority of not less than two-thirds (2/3) of the votes cast by the Shareholders represented at the Meeting in person or by proxy.

At the Meeting, the following special resolution, with or without variation, will be placed before the Shareholders in order to approve the Consolidation:

**"BE IT RESOLVED** as a special resolution that:

(a) the Board be authorized, subject to approval of the applicable regulatory authorities, to take such actions as are necessary to consolidate, at any time following the date of this resolution but prior to the next annual meeting of shareholders of the Corporation, all of the issued and outstanding Common Shares on the basis that up to one hundred (100) pre-consolidation Common Shares, or a ratio that is less at the discretion of the Board, be consolidated into one post-consolidation Common Share;

(b) despite the foregoing authorization, the Board may, at its absolute discretion, determine when such consolidation will take place and may further, at its discretion, determine not to effect such consolidation of all of the issued and outstanding Common Shares, in each case without requirement for further approval, ratification or confirmation by the Shareholders;

(c) notwithstanding the foregoing, the Board is hereby authorized, without further approval of or notice to the Shareholders, to revoke this special resolution at any time before it is acted upon; and

(d) any one or more directors and officers of the Corporation be authorized to perform all such acts, deeds and things and execute all such documents and other writings, as may be required to give effect to this special resolution."

The foregoing resolution permits the directors of the Corporation, without further approval by the Shareholders, to proceed with a Consolidation at any time following the date of this Meeting but prior to the next annual meeting of the Shareholders. Alternatively, the directors of the Corporation may choose not to proceed with the Consolidation if the directors, in their discretion, deem that it is no longer desirable to do so.

**Common Shares represented by proxies in favour of management nominees will be voted FOR the approval of the Consolidation as set out above, unless a Shareholder has specified in his, her or its proxy that his, her or its Common Shares are to be voted against the resolution approving the Consolidation.**

## Effective Date

Subject to applicable regulatory requirements, the Consolidation will be effective on the date on which articles of amendment of the Corporation are filed and certified by the Ministry, on which the directors of the Corporation determine to carry out the Consolidation.

If the Consolidation is approved, no further action on the part of the Shareholders will be required in order for the Board to implement the Consolidation.

### Compensation Discussion and Analysis

Currently, the Board oversees director and executive compensation. The corporation anticipates convening a Compensation Committee after the Meeting. The Compensation Committee is expected to make recommendations to the Board regarding executive compensation, long-term incentive plans as well as employment, severance, retirement, and change of control agreements. The board then determines whether to adopt such recommendations as submitted or otherwise.

In the last three fiscal years ended December 31, 2017, 2016 and 2015, the Corporation did not pay compensation, in any form, to any of the executive officers or directors, which was decided by the Board. Considerations included the lack of current operations and the lack of financial resources.

When determining the compensation arrangements for the executive officers, the Compensation Committee will consider the objectives of retaining an executive critical to the success of the corporation and the enhancement of Shareholder values, providing fair and competitive compensation and balancing the interests of management and Shareholders while rewarding performance.

### **Option Grants During the Most Recently Completed Financial Year**

The directors of the Corporation adopted a New Stock Option Plan (the "Plan") to encourage common share ownership in the Corporation by directors, officers, employees (full or part-time) and consultants of the Corporation or its subsidiaries from time to time which was approved by the majority of disinterested shareholders at the annual and special meeting of shareholders held on May 8, 1999.

The Plan does not permit the number of shares reserved for issuance pursuant to stock options granted to insiders to exceed 10% of the outstanding issue; the issuance to insiders within a one-year period of a number of shares to exceed 10% of the outstanding issue; and the issuance to any one insider and such insider's associates, within a one-year period, of a number of shares to exceed 5% of the outstanding issue.

The Plan provides that eligible persons thereunder include any director, employee, (full-time or part-time), officer or consultant of the Corporation or any subsidiary thereof. A consultant means an individual (including an individual whose services are contracted through a personal holding corporation) with whom the Corporation or a subsidiary has a contract for substantial services. The Plan allows the Corporation to attract new officers and directors by allowing it to offer stock options as inducements to join the Corporation.

The Plan is administered by the board of directors of the Corporation. The board of directors has the authority to determine, among other things, subject to the terms and conditions of the Plan, the terms, limitations, restrictions and conditions respecting the grant of stock options under the Plan.

The Plan provides for 2,408,720 common shares as a maximum number of common shares in the capital of the Corporation that was reserved for issuance under the Plan, pursuant to shareholder approval on May 8, 1999.

The Board has the authority under the Plan to establish the option price at the time each stock option is granted which shall in all cases be not less than the closing price of the common shares on the trading day immediately preceding the date of the grant. No discount from the closing price on the date of the grant of option is permitted.

Options granted under the Plan must be exercised no later than ten (10) years after the date of grant and options are not transferable other than by will or the laws of descent

and distribution. If an optionee ceases to be an eligible person for any reason whatsoever other than death, each option held by such optionee will cease to be exercisable in a period not exceeding three (3) months following the termination of the optionee's position with the Corporation. If an optionee dies, the legal representative of the optionee may exercise the optionee's options for a period not exceeding one (1) year after the date of the optionee's death but only up to and including the original option expiry date.

The Corporation will not provide any optionee with financial assistance in order to enable such optionee to exercise stock options granted under the Plan.

There are currently no stock options outstanding under the Plan.

### **Termination of Employment, Change in Responsibilities and Employment Contracts**

There were no terminations of employment, change in responsibilities, nor any employment contracts entered into by the Corporation during the most recently completed financial year.

### **Compensation of Directors**

No directors of the Corporation were compensated by the Corporation during the years ended December 31, 2017 or 2016 for services rendered as consultants or experts.

## **CORPORATE GOVERNANCE DISCLOSURE**

Effective June 30, 2005, National Instrument 58-101 Disclosure of Corporate Governance Practices ("NI 58-101") and National Policy 58-201 Corporate Governance Guidelines ("NP 58-201") were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose annually the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Board believes that good corporate governance improves corporate performance and benefits all shareholders. The Canadian Securities Administrators (the "CSA") have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA has implemented Form 58-101F2 under NP 58-101 which prescribes the disclosure required to be made by the Company relating to its corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

### **Board**

A director is considered to be "independent" if the director is free from any direct or indirect material relationship with the issuer that could, or could reasonably be perceived to materially interfere with that director's ability to act with a view to the best interests of the Company. As such, a director who is an officer of a Company and a member of day-to-day management is considered to be non-independent.

Mr. Dominique Monardo and Mr. Jon Bridgman are considered by the board of directors to be "non-independent" within the meaning of NI 58-101 since they are individuals who have been within the last three years an executive officer of the Corporation.

NP 58-201 suggests that the Board of directors of a public company should be constituted with a majority of individuals who qualify as "independent" directors.

## **Other Reporting Issuer Directorship**

Mr. Edward Murphy currently is a director DigiCrypts Blockchain Solutions Inc. (formerly TJR Coatings Inc.) and Empire Minerals Inc. Mr. Jon Bridgman is a director of Bird River Resources Inc. Ms. Inga Gratcheva is a director of Empire Minerals Inc.

## **Orientation and Continuing Education**

The Company is in the process of creating formal policies with respect to the orientation and education for new members of the Board. The Company does provide continuing education for its directors as such need arises. Management takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers, and committee members.

## **Ethical Business Conduct**

The Board relies on the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of the Company. The Board has found that these policies, combined with the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient.

## **Nominations**

The Board does not have a nominating committee as the Board feels that the size and nature of the Company's operations do not necessitate such a committee.

## **Compensation**

The Board is responsible for determining all forms of compensation for the Company. The Corporation has no long-term incentive plans. No options were granted under the Stock Option Plan of the Corporation to the officers or directors during the most recently completed financial year. There were no terminations of employment, changes in responsibilities or any employment contracts entered into by the Corporation during the most recently completed financial year. No directors of the Corporation were compensated by the Corporation during the most recently completed financial year.

## **Assessments**

The Board annually reviews its own performance and effectiveness and recommends revisions, if necessary. The Board monitors the adequacy of information given to the directors and communication between the Board and management. The Board believes that its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances, that

control and monitor management and corporate functions without excessive administrative burden.
