APPOINTMENT OF AUDITORS

EXECUTIVE COMPENSATION

The table below sets forth compensation in respect of the President and Chief Executive Officer and the Chief Financial Officer of the Fund (the "Named Executive Officers") for the financial year ended December 31, 2019.

Name and Principal Position	Annual Compensation				Long-term Compensation			
	Year	Salary	Commission & Bonus	Other Annual Compensation	Common Shares under Options Granted	Performance Shares	Performance Warrants	All Other Compensation
		(\$)	(\$)	(\$)	(#)	(#)	(#)	(\$)
Michael G. Sheridan, President and Chief Executive Officer	2019	Nil	Nil	Nil	Nil	Nil	Nil	Nil
David Molson, Chief Financial Officer	2019	Nil	Nil	12,000	Nil	Nil	Nil	Nil

The Fund has not granted any options.

The compensation policy of the Fund will be based on the following four key principles: (i) profitability of the Trust should be maintained or enhanced; (ii) compensation, so far as possible, should be related directly to individual performance and productivity; (iii) fixed compensation costs directly associated with the production of revenue should be minimized because of the variable nature of revenues; and (iv) compensation should be fully competitive with other firms in the industry in order that the Fund can attract and motivate the most highly qualified employees.

As a consequence of this compensation policy, individual compensation for employees, including the Named Executive Officers, will be highly variable. In years with high revenues and/or profits, compensation costs increase with the Fund's performance. Conversely, when revenues decline, a substantial portion of the Fund's compensation costs will decrease as well. The Fund expects

that this policy will tend to stabilize its net earnings, while providing a powerful individual performance incentive to its employees, including its executive officers. The Fund expects that the compensation structure will also result in the stabilization of distributions.
